## **PRE-CONDITIONS FOR SUBMITTING MACHINES FOR COMMERCIAL TEST**

### **Name, Make and Model of machine:**

- a) The specification of the machine submitted for test should conform to the production model which the manufacturer proposes to introduce. The manufacturer should certify that the prototype submitted for test will be manufactured under the License/DGTD registration granted to the unit.
- b) The test will be carried out on the machine as it stands together with accessories and attachment essential to the satisfactory performance of the machine. The applicant will not be allowed to introduce alterations or modifications which should affect its normal performance during the progress of test. If any major modification or alteration is considered necessary, the application should withdraw the machine and resubmit the machine with fresh application for testing. I have read above pre-conditions and hereby agree to abide by the same.

### **DECLARATION**

I, hereby, solemnly declare that information furnished above is complete and true to the best of my knowledge and belief. I also declare, hereby that I have neither concealed nor suppressed nor distorted any information which may have any bearing on the test requested for. I understand that in case of any information found to be untrue, suitable action is liable to be initiated against me. **I have/will not apply for the same implement on other institute.**

I also declare, hereby, that I have read the Regulations for the Testing of Agricultural Machinery at **Farm Machinery Testing Centre, Sher-e-Kashmir University of Agricultural Sciences and Technology of Kashmir- 190025, Shalimar, Srinagar (J&K)** and hereby agree to abide by all terms and conditions of the test.
