

Project Title	Years	Project Code	RCMNo	Status	More Info
An Economic Analysis of Production and Post Harvest Management of Walnut in Kashmir	3	01	01	Completed	<a href="#">Select</a>
Development and Storage stability of Spice Tikki (Ver) using different packaging materials	2	12	12	continuing	<a href="#">Select</a>
Development of new maize inbred lines	3	FoA/GPB.55.1	57th RCM Kharief 2019	On going	<a href="#">Select</a>
Development of Nutritious ready to eat food using extrusion technology	2	17	17	continuing	<a href="#">Select</a>
Development of spice and vegetable based ready to serve beverage	2	13	13	continuing	<a href="#">Select</a>
Differential gene expression for seed Zn and Fe concentrations in common bean	3	FoA/GPB.57.2	57th RCM Kharief 2019	On going	<a href="#">Select</a>
Economics of Milk Production as a Dairy-supported Livelihood Activity in Baramulla District of J&K	3	03	03	Ongoing	<a href="#">Select</a>
Effect of bio-fertilizers on growth and seed yield of antirrhinum	2	5	5	completed	<a href="#">Select</a>
Effect of brassinosteroids on growth and productivity of strawberry	3	9	9	continuing	<a href="#">Select</a>
Effect of exogenous application of brassinosteroids on growth, yield and quality of apple	2	11	11	continuing	<a href="#">Select</a>
Effect of growth retardants on Growth, Flowering and bulb yield of Asiatic Lilium	2	15	15	continuing	<a href="#">Select</a>
Evaluation of different varieties/ selections of Garlic under agro climatic conditions of Kashmir	1 (In months)	7	7	continuing	<a href="#">Select</a>
Forecasting the Production of Select Fruit Crops (Cherry, Walnut and Plum) of Kashmir valley	2	06	06	Completed	<a href="#">Select</a>
Genetics, Physiology and Molecular Breeding for Development of Extra Early Maturity STAYGREEN Chickpea	3	FoA/GPB.53.1	57th RCM Kharief 2019	On going	<a href="#">Select</a>
Handling of Non-Response Problems in Sample Surveys	2	11	11	Ongoing	<a href="#">Select</a>
Identification of drought tolerant cow pea genotypes based on root and related traits	3	FoA/GPB.57.5	57th RCM Kharief 2019	On going	<a href="#">Select</a>
Impact of Robust Estimators for the Estimation of Finite Population Variance by Incorporating the Conventional and Non-conventional Positional Measures as Auxiliary Information.	2	05	05	Completed	<a href="#">Select</a>
Integrated nutrient management in garlic-beans-spinach cropping sequence	2	4	4	completed	<a href="#">Select</a>

Project Title	Years	Project Code	RCMNo	Status	More Info
Mathematical and numerical study on the conversion of Agriculture land to Horticulture land in Kashmir Valley	2	12	12	Ongoing	<a href="#">Select</a>
Micronutrient application in garlic	1 (In months)	2	2	completed	<a href="#">Select</a>
Propagation of Apple using dwarfing/semi-dwarfing interstem	3	01	1	completed	<a href="#">Select</a>
Screening for yellow rust resistance in wheat	1	1	123	Completed	<a href="#">Select</a>
Shelf life studies of Red Velox apple	2 (In months)	7	7	completed	<a href="#">Select</a>
SOCIO-ECONOMIC ANALYSIS OF PADDY FARMERS IN BARAMULLA DISTRICT OF J&K	3	02	02	Completed	<a href="#">Select</a>
Statistical modeling for construction of volume tables of Pinus wallichiana	2	10	10	Ongoing	<a href="#">Select</a>
Statistical Study on the effect of Agricultural Loans on farming activities in Rafiabad of Baramulla District	2	08	08	Ongoing	<a href="#">Select</a>
Studies on effect of different pulsing solutions and duration on the vase life of chrysanthemum	1 (In months)	14	14	continuing	<a href="#">Select</a>
Studies on effect of organic manure and bio inoculants on growth flowering and seed yield of verbena hybrida	2	18	18	continuing	<a href="#">Select</a>
Studies on production of flowering size bulbs of tulip	3	10	10	continuing	<a href="#">Select</a>
Studies on vegetative propagation of Magnolia soulangeana by air layering	2	16	16	continuing	<a href="#">Select</a>
Study on Effectiveness of Virtual Teaching and Learning across the different faculties of SKUAST-Kashmir	2	07	07	Ongoing	<a href="#">Select</a>
Sulphur fertilization in potato	2	3	3	completed	<a href="#">Select</a>
Survey, selection and evaluation of indigenous turf/lawn grasses of Kashmir	1 (In months)	8	8	continuing	<a href="#">Select</a>
Variance Estimation in Agricultural Studies using Non-parametric Statistics	2	09	09	Ongoing	<a href="#">Select</a>
Vegetable Cultivation as a Source of Livelihood Security in Baramulla District of Kashmir	4	04	04	Ongoing	<a href="#">Select</a>
Yield and quality of pea (Pisum sativum L.) as affected by different levels of zinc and farmyard manure	3	6	6	completed	<a href="#">Sect</a>
