

Career Counselling and Placement Cell.

Career Counselling and Placement Cell of Faculty of Fisheries conducts various programmes on a regular basis to guide students towards their career goals. Timely information of competitive examinations, job vacancies, scholarship opportunities, etc are provided to the students. The cell provides students with the resources and skills necessary to pursue their professional choices. Mock tests and special lectures by peers are arranged for the students to prepare them for competitive tests. In the last two years since its inception the following activities have been performed:

- Counselling/ Personality Development lectures: 04
- Mock tests: Offline 7; Online: 3
- Online JRF Mock Test Series-VI (Google based) was conducted on 18-05-2020 at 10.30 AM and was active for one hour till 11.30 AM. The test comprised of 60 multiple choice questions (MCQs) covering the entire syllabus.
- Online JRF Mock Test Series-V (Google based) was conducted on 04-05-2020 at 11:00 AM and was active for one hour till 12:00 AM. The test comprised of 60 multiple choice questions (MCQs) covering the entire syllabus.
- Online JRF Mock Test Series-IV (Google based) was conducted on 16-04-2020 at 10.30 AM and was active for one hour till 11.30 AM. The test comprised of 60 multiple choice questions (MCQs) covering the entire syllabus.
