

SK-SSU (SKUAST-Kashmir Students Start-up)

Vision: Developing an ideal entrepreneurial ecosystem to create agricultural tech-based student owned start-ups numbering 10% of the student intake capacity.

Mission:

- Teaching students and encouraging them to take up entrepreneurship as a preferred career choice.
- Preparing students for successful launching of their start-ups.
- Re-orienting academic curriculum pedagogy with a strong focus on Start-ups.
- Developing customized teaching and training materials for start-ups and engaging them in pre-startup activities.
- Capacity Building Programmes/ Activities for faculty as well as trainers.
- Mentoring start-ups to become sustainable.
