

TEC/SKIEE Center

To create an enabling ecosystem for knowledge and technology based agri-entrepreneurship in

Bio- resource rich state of Jammu and Kashmir

Mission

- ü **Reorient agricultural education to LEED** (Leadership, Entrepreneurship, Employability and Discovery of new knowledge)
- ü Conduct **Sensitization Workshops** and **Ideation Events** for faculty and students to identify creative ideas and encourage them to take up entrepreneurship as a preferred choice
- ü **Support incubation program** to provide enabling ecosystem for start-ups and entrepreneurs during critical stages of starting a new business
- ü **Acceleration program** to help Start-ups in scaling up
- ü **Provide platform** to the technology developers: scientists, students, entrepreneurs, and start-ups
