

Veterinary Microbiology & Immunology

Research Publications

Year Of Publication	Title	Authors	Journal Title	Naas Rating
2018	Isolation and genome analysis of a lytic Pasteurella multocida Bacteriophage PMP-GAD-IND	S. Qureshi, H.M. Saxena, N. Imam, Z. Kashoo, M. ShariefBanday, A. Alam, Md. Z. Malik, R. Ishrat and B. Bhat	Letters in Applied Microbiology	8.17
2018	RFLP analysis of flagellin (Fla) gene of Campylobacter jejuni from ovines of Kashmir, India	Gull, B., Qureshi, S., Kashoo, Z.A, Wani, S.A., Magrey, S.N., Pandit F., Hussain, I., Shafi, S., and Ganaie, M. Y.	Journal of Food safety	7.13
2018	The detection and prevalence of leukotoxin gene variant strains of Fusobacterium necrophorum in footrot lesions of sheep in Kashmir, India	S Farooq, SA Wani, MN Hassan, S Aalamgeer, Z.A Kashoo, SN Magray, M.A Bhat	Anaerobe	8.71
2018	Isolation and characterization of two lytic bacteriophages against Staphylococcus aureus from India: newer therapeutic agents against bovine mastitis.	Ganaie, M. Y., Qureshi, S., Kashoo, Z. A. Wani S.A. Hussain, I., Kumar, R., Maqbool, R., Sikander, P., Banday, M.S., Malla, W.A., Mondal, P. and Khan, R.I.N.	Veterinary Research Communications	7.29
2019	Methicillin resistance genes and in vitro biofilm formation among Staphylococcus aureus isolates from bovine mastitis in India	Muneeba Shafi Shah, Sabia Qureshi, Zahid Kashoo, Shaheen Farooq, Shakil Ahmad Wani, M Ishfaqul Hussain, MS Banday, Azmat Alam Khan, Bisma Gull, Aasim Habib, Shafqut Majeed Khan, Bilal Ahmad Dar	Comparative immunology, microbiology and infectious diseases	7.57

Year Of Publication	Title	Authors	Journal Title	Naas Rating
2019	Determination of prevalence, serological diversity, and virulence of <i>Dichelobacter nodosus</i> in ovine footrot with identification of its predominant serotype as a potential ...	Shakil A Wani, S Farooq, ZA Kashoo, I Hussain, MA Bhat, MA Rather, S Aalamgeer	Tropical animal health and production	7.33
2019	Draft genome sequence of <i>Dichelobacter nodosus</i> JKS-07 serogroup E from India	Shakil A Wani, Zahid Kashoo, Shaheen Farooq, Sabia Qureshi, Basharat Bhat, M Isfaqul Hussain, Aasim Habib, Shafkat Majeed Khan, Javeed A Malla, Md Zubair Malik, Bilal Ahmad Dar	Journal of global antimicrobial resistance	8.71
2019	Serological diversity, molecular characterisation and antimicrobial sensitivity of avian pathogenic <i>Escherichia coli</i> (APEC) isolates from broiler chickens in Kashmir, India	S.N.Magray, S. A.Wani, Z. A. Kashoo, M. A. Bhat, S. Adil, S. Farooq, M. A. Rather, Z. A. Kabli, M. T. Banday and Y. Nishikawa	Animal Production Science, 59, 338–346	7.33
2020	Genotyping and antibiotic resistance patterns of <i>Campylobacter fetus</i> subsp.venerealis from cattle farms in India	Amani Ishtifaq, Sabia Qureshi, Shaheen Farooq, Zahid A Kashoo, Md Z Malik, Mohammad Rizwan Alam, SA Wani, M Altaf Bhat, MI Hussain, Rameez A Dar, Syed M Shah	Letters in Applied Microbiology	8.17
2021	Identification of Immunodominant Outer Membrane Proteins of <i>Fusobacterium necrophorum</i> from Severe Ovine Footrot By MALDI-TOF Mass Spectrometry	S Farooq, SA Wani, S Qureshi, MA Bhat, ZA Kashoo, I Hussain	Current Microbiology	7.75

Year Of Publication	Title	Authors	Journal Title	Naas Rating
2021	Genome sequence of Dichelobacter nodosus JKS-07B isolate from J&K, India associated with virulent footrot of sheep	Sabia Qureshi, Shakil A Wani, Shaheen Farooq, Zahid Kashoo, Basharat Bhat, Mohammad Isfaql Hussain, Aasim Habib, Mohd Altaf Bhat, Shafkat Majeed Khan, Arif Ahmad Pandit, Javeed A Malla, Bilal Ahmad Dar	Science Progress
